SEPT. 2019

PRINCIPAL'S MESSAGE

The night before our new school year started, my son told me to get some sleep and then laughed. He reminded me that I never sleep before the first day of school. My sleeplessness is not due to anxiety about the start of the school year, but a feeling of excitement, joy, and passion for beginning another year; my 50th first day of school either as a student or educator. I welcome all the members of our learning community to the 2019-20 school year at Father Leonard Van Tighem School.

Thank you to Mr. Wensveen, Mrs. Danylchuk, and Mrs. Maniedao for their hard work in making the school ready for us. All the shiny floors look great. We are excited to welcome new students, families, and staff to our school this year. New or returning teaching staff include Mrs. Lawrence (Gr. 6), Miss Gabruck (Gr. 8), Miss Loman (Gr. 8), and Miss Tkach (Gr. 7). Also, we welcome back Mrs. Ehlert (Educational Assistant), and we have Mrs. Walcheske joining us in our Early Learning Program. Finally, we have two University of Lethbridge PSIII students, Miss Matthews (mentored by Mrs. Alvarez) and Miss Hemstreet (mentored by Mr. Templin).

The first School Council Meeting will be on Tuesday, September 10th. I encourage all parents to attend. School Council plays a vital role in our school community. Our Welcome Back BBQ and Family Blessing are on September 19th. Father William will start the evening with a family blessing at 5:30 pm, BBQ hamburgers will be served after the blessing, and families will be able to 'meet the teacher' in their classrooms or the gym starting at approximately 6:30 pm. Also, Jennifer from St. Martha's Parish will be there to provide information on Sacramental Preparation. We look forward to seeing everyone to celebrate the beginning of a new school year.

The focus of this school year will continue to be on growing in our faith and experiencing the richness of Catholic Education, developing literacy and numeracy skills that will prepare students for a changing future, and helping First Nations, Metis, and Inuit students achieve equitable educational outcomes. Also, we are excited about the first year of our new Faith Plan called *Making Our Mark: Journey of an Intentional Discipline*. This year's faith theme is *Beginning the Journey*. The primary focus of *Beginning the Journey* is a focus on being mindful and being prayerful. I am looking forward to us integrating our new faith plan with the Van Tighem Virtues of Honest, Accepting, Wise, Kind, Spiritual.

We are getting bigger, both physically and in numbers. Our new portables are not quite ready; we hope to be in them before the end of September. Some of our class sizes are getting large, and we are hopeful that once the provincial budget is brought forward in October, we will be able to address this issue.

Like last year, you can pay your school fees and other fees online. Please click on this logo for more information:

Respectfully yours,
Greg Kostiuik
Principal

After the Mass, Gr. 2—9 will be walking back to the school with their teachers while Kindergarten and Gr. 1 will be bussed back for the remainder of the day. Please make sure your children are wearing good walking shoes and dressed for the weather. Every student will receive a free small booster juice drink on this day.

BIKES & SCOOTERS

Unfortunately, we have had to deal with bikes and scooters being stolen from our racks outside during the day. To ensure the safety of your bike or scooter, please be sure to use a good quality uncuttable lock or chain to attach it to our racks.

Monday, September 30

All grades will be accommodated on this day. If you are in Early Learning and do not attend on this day, please stop into the school in between 8 a.m. and 12:00 p.m. for your child's photo to be taken.

Just a few reminders of school bus regulations:

- Parents/Guardians must be at their child's bus stop if they are in Kindergarten – Grade 1 for both drop off and pick up unless they are with an older sibling. If a parent/guardian is not at the Bus Stop, the child will be taken back to the school and it will be the school's responsibility to contact the parent.
- Students must be at their designated Bus Stop at least five minutes before their pick time. We are unable to stop and wait for students due to the timing and the amount of students transported, if students are not at a bus stop and visible to the school bus operator they will continue on to the next designated Bus Stop.

NOTICE TO PARENT OR GUARDIAN OF RELIGIOUS PERMEATION

The *Alberta Human Rights Act* requires a school board to give notice to a parent or guardian when courses of study, education programs, institutional materials, instruction or exercises include subject matter that deals primarily and explicitly with religion. All of the schools in this division are Catholic Separate Schools, the essential purpose of which is to fully permeate Catholic theology, philosophy, practices and beliefs, the principles of the Gospel and teachings of the Catholic Church, in all aspects of school life, including in the curriculum of every subject taught, both in and outside of formal religion classes, celebrations and exercises. Every course of study and educational program, all institutional materials, instruction and exercises will at all times include subject matter that deals primarily and explicitly with religion.

FAIR NOTICE LETTER

Dear Parents / Guardians,

The Holy Spirit Catholic School Division is committed to providing safe learning environments for all students, staff, school visitors and community members. When a student behaves inappropriately, principals use progressive discipline to help a student take responsibility for their actions, change their behavior and learn from their mistakes.

When students' behaviors pose a potential threat to safety or serious harm, the Southwest Alberta Regional Violence Risk Threat Assessment Protocol (VTRA) helps principals take further steps to protect students' well-being. The protocol helps schools respond quickly to threatening incidents such as: possession of a weapon or a replica weapon, bomb threats or plans, verbal, written or electronic (internet, text) threats to kill or injure oneself or others or other threats of violence, fire setting.

The Southwest Alberta Regional VTRA Protocol outlines how a school responds immediately to threatening behavior. Principals may first bring together a School Threat Assessment Team, which ideally includes the principal / associate principal, a school based counsellor / jurisdictional lead and police. If the situation is serious the principal may also consult the Superintendent of Schools and call in members of the Community Threat Assessment Team. This community team may include representatives of community agencies who work with us to keep our schools safer such as, but not limited to, local police, children's mental health organizations or Child and Family Services. Parents / guardians will be notified as soon as possible in the Stage I - VTRA Process. If parents / guardians cannot be reached, but a concern for safety still exists due to threatening behavior, the threat assessment may still proceed. Personal information shared throughout this process will respect and balance each individual's right to privacy with the need to ensure the safety of all.

This letter complies with procedure 2 of *Administrative Procedure 322: Violence Threat / Risk Assessment (V-TRA) Protocol*, which states that parents / guardians will be provided with "fair notice" that each threat will be taken seriously. Should you wish to further review this Administrative Procedure, please visit our website at www.holyspirit.ab.ca.

If you have any questions regarding the Holy Spirit Catholic School Division's use of the Southwest Alberta Regional V-TRA Protocol, please contact the Director of Student Services at the St. Basil Catholic Education Centre. We appreciate your support in ensuring our schools are safe environments for our students, staff and community partners.

Sincerely,
Chris Smeaton, Superintendent of Schools

GRADE 3 STUDENT LEARNING ASSESSMENTS

Alberta Education has announced that, for the 2020/2021 school year, Student Learning Assessments (SLAs) will be administered for all Grade 3 students across Alberta. The SLAs are intended to replace the traditional Provincial Achievement Tests and are given to students early in the school year to help parents and teachers identify students' strengths and areas for growth.

Holy Spirit Catholic School Division has decided all Grade 3 teachers will pilot the digital portion of the Grade 3 SLAs during the 2019/2020 school year. Each Grade 3 teacher will also have the option to pilot the performance task portion of the assessment, as they see fit.

We believe that our school division's participation in the pilot will allow our Grade 3 teachers to effectively prepare for future SLAs, provide professional feedback to government regarding the planned format, and engage in planned collaborative professional development opportunities that will benefit student learning.

For more information about Grade 3 SLAs, visit the government website at:

<https://www.alberta.ca/student-learning-assessments.aspx>, or contact your child's teacher directly.
