Library news & updates

Library News from Ms. Pierson

Dear FLVT families, it is with a very heavy heart that I have to say goodbye to your children. They fill my heart with joy and remind me that there is kindness in the world. We can learn so much from children. Due to library cutbacks, my time here was cut short, yet your children have found a place in my heart. I wish Ms. Hedivan luck with her position at FLVT and I know your children will welcome her as they did me. All the best in the next school year.

Rocky Mountain Book Awards: The Rocky Mountain Book Awards ended in April. At FLVT we continued reading the books until the end of May and the students who were involved with reading the nominated books and reporting back to me on them won prizes. Congratulations to those students.

Library Manners Jar: The goal is for students to fill their classroom jar first by using great library manners so they can win a classroom prize. We have started a new round, let's see who wins this time. The jars are filling up quickly! Great job!

Monthly Library Winners: Students have the opportunity to win a library prize monthly by following HAWK values. I watch for respectful behavior and students receive a draw slip. The draw is made at the end of each month. Good luck!!

Volunteers: We appreciate our volunteers' time and help in the library. Thank you for your help this year. I will miss you and hope to stay in touch.

Book Donations: A big thank you to all of those who made donations to our library this year. They were much appreciated!!

Bringing books to life: Having fun with forts in Kindergarten, grade one and two. The book associated with this was "The Little Red Fort" by Brenda Maier and illustrated by Sonia Sanchez.

MATH EXAMS AND CALCULATORS

We are nearing the end of our school year, and beginning to prepare for Final Exams. At this time, we remind students and parents that **EVERY Junior High student who is writing the Math final in his or her grade MUST have a calculator to use.** The school owns very few extra calculators, and students must not count on borrowing a calculator on that day. Please note: Calculators are not permitted for Math Part A PAT.

Any and all technological devices; such as cell phones or smart watches, ARE NOT permitted while writing exams.

“The following calculator materials, properties, and/or configurations are **NOT** permitted in the test room:

- Programmed memory content
- Built-in notes, libraries, or formulae (e.g. definitions or explanations in alpha notation)
- Upgraded or downloaded programs
- Remote communication capability”

Thank you for your support.

On May 16, 2023, Lethbridge City Council Tuesday voted unanimously in favour to approve the implementation of harmonized school and playground zones. For more information, please see the City of Lethbridge's release, "[Safety top priority as Council approves speed zone harmonization.](#)"

This change will come into effect for the 2023/2024 school year and will see all current playground and school zones have a cohesive 30 km/hr speed limit from 7:30 am to 9:00 p.m. every day of the year.

The school division agrees that this decision will make the traffic laws easier for motorists to remember, as well as ensure the safety of all children accessing school and city playgrounds.

***CELEBRATE our GIFT of the EUCHARIST
come WALK the streets WITH JESUS as we Walk and PRAY for PEACE***

June 11, 2023 ~ Feast of Corpus Christi

“let us celebrate with particular devotion the Solemnity of Corpus Christi, with its traditional procession. Our faith in the God who took flesh in order to become our companion along the way needs to be everywhere proclaimed, especially in our streets and homes, as an expression of our grateful love and as an inexhaustible source of blessings”

Pope St. John Paul II 2005 Apostolic Letter Mane Nobiscum Domine

PARENTS AND STUDENTS OF HOLY SPIRIT SCHOOL DISTRICT

You and your families are invited to join us on this special day to walk in a procession as we bring the Holy Eucharist to the streets of Lethbridge.

This is a great way for the children and their families to profess their faith and belief in the Body, Blood, Soul and Divinity of our Lord, Jesus Christ. For many of us our memories of the special times in our church life are what helps keep our gift of faith during the times when we find it challenging. This is one of those occasions and this is our wish for you.

It is suggested that we wear white, or red (second choice) which represents the Body or the Blood of Christ. School students are invited to wear any clothing that represents their CATHOLIC schools. Younger children and Elementary school age children must be accompanied by a parent(s).

The procession is a reverent and respectful procession with joyful song and prayer as we process with the Monstrance we show our adoration for the Body of Christ in the Eucharist.

We leave from St. Basil's at 12 noon, after the 11:00 am Mass. The Eucharist is placed in the Monstrance, and then on the carrier. Those wishing to walk follow the procession moving south on 13th Street with a prayer stop at the corner of 2nd Avenue before continuing to CCH. You are invited to take turns carrying the carrier.

At Our Lady of Assumption procession begins with a prayer service at 11:45 am. Once the Monstrance is on the carrier we walk east to Mayor Magrath Drive, where we turn north. After a prayer stop at 8th Avenue we continue walking along Mayor Magrath to 6th Avenue, then we turn left and continue walking to 20th Street. We turn right at Ecole St. Mary's and continue until we reach CCH field.

You are invited to walk with us all the way (with the prayer stop it will take about 1 hour), or join us at one of the prayer stations. If you cannot walk join us at Catholic Central High School, East campus on the field.

At CCH we will have Benediction on the field, weather permitting. In bad weather we will gather in the cafeteria. This will be followed by a social lunch and fun activities for the younger people.

There are three major processions in the life of the church, including Corpus Christi: the Sunday after Trinity Sunday when we remember the institution of the Eucharist at the Last Supper, Holy Thursday. A prominent aspect of this feast is the procession which is to follow the Mass...The procession should be seen as a public declaration of the parish community's faith....Processions are a very important part of our Catholic identity. We are a pilgrim people on a journey, a journey of growth in faith and self-awareness. We are called to be followers of Jesus, to walk with Him.

What can families enrolling their child in Trinity High School expect?

Trinity teachers support students individually as they learn through distributed learning modules.

Trinity offers students a small, caring, understanding and welcoming school environment where students are accepted, encouraged and treated with dignity.

Less formal and structured than a traditional school. Individual learning plans are developed with student, caregivers and school.

Who would be the ideal learner to attend the Trinity 10-12 alternative program?

Students who enjoy and excel learning independently.

Students who due to work or sports commitments need the flexibility in their timetable.

Students who have difficulty attending school due to mental health conditions, such as anxiety or depression.

Students who have had gaps in attendance through the pandemic and have had a hard time re-engaging in school.

Students who have had difficulty socially engaging with peers, or who feel overwhelmed by large numbers of students in traditional classrooms and schools.

What are the expectations/requirements for students attending Trinity?

READY – Students need to want to be engaged in learning. It is OK if you have gaps in your education. We will meet you where you are at.

WILLING – Students need to be committed to attending or meeting with their teachers regularly.

ABLE – Students must have the reading skills, learning habits and maturity to be successful in self-paced learning.
