(Orange Shirt day - Fri-

Blessed are you, Lord God,
Creator of body and mind and heart;
you have sent the Spirit of wisdom and knowledge
to guide your people in all their ways.
At the beginning of this new school year,
we implore your mercy:
bless the students, teachers, and staff,
that together we may grow in faith, hope, and love
as we learn from you and each other
how to follow your Son Jesus.

Expand the horizons of our minds,
that we may grow in wisdom, understanding, and
knowledge;
deepen our commitment to seek the truth of your
ways;
and enliven our faith to reach out to those in need.

Glory and praise to you, Lord God,
in the Church and in Christ Jesus forever and ever.
Amen

Thursday, October 12th

Just a few reminders of school bus regulations:

- Parents/Guardians must be at their child's bus stop if they are in Kindergarten – Grade 1 for both drop off and pick up unless they are with an older sibling. If a parent/guardian is not at the Bus Stop, the child will be taken back to the school and it will be the school's responsibility to contact the parent.

We are unable to stop and wait for students due to the timing and the amount of students transported, if students are not at a bus stop and visible to the school bus operator they will continue on to the next designated Bus Stop.
- Friends may not take the bus for play dates, to daycare, to grandparents, etc.

ALBERTA
EDUCATION

*Office of the Minister
MLA, Calgary - Bow*

Dear Parents,

Another school year has started and as Alberta's new Minister of Education, I want to introduce myself and give you a quick update about some of the things your government has been doing to ensure our students are set up for success.

A top priority for my parents was getting me a high-quality education, since I'm a second generation Calgarian. Having immigrated to Calgary in the 1970s their educational opportunities were limited, and they firmly believed that a strong education is the path to greater success and prosperity. I took their advice to heart and went on to earn my PhD in political science and conflict resolution. I'm passionate about education and will work hard to set our students up for success.

As the 2023/24 school year gets underway there are several important highlights I want to share with you.

I firmly believe that the upcoming school year will give students the tools and resources they need to succeed.

Here are some of the things that we are working on:

1) We are injecting new funding to start the school year off on the right foot.

For the current school year, Alberta's government has increased funding to many of our school divisions to make sure they have the financial resources they need to give our kids a world-class education. Funding has increased by seven per cent from last year increasing the total amount of taxpayer dollars going directly to our school divisions to \$7.4 billion. In addition, a new Classroom Complexity Grant will be implemented which provides \$126 million over three years in new funding to help school authorities hire more educational assistants to help our teachers manage classrooms that are increasingly more complex with more students with diverse learning needs. As well, our hardworking teachers will also receive a two per cent salary increase this September as part of a deal reached with teachers last year and finally, we are providing \$414 million in new funding, a 32 per cent increase, to help bus another 80,000 students to school.

2) We are hiring more teachers and staff in our classrooms.

As students head back to class, they may start to see new friendly faces in their school. Budget 2023 provided funding to hire up to 3,000 new educational staff over three years, including teachers, educational assistants, bus drivers and other school support staff such as speech language pathologists and psychologists. Ensuring students have the supports they need to succeed in and out of the classroom is a top priority of mine.

3) We are focused on improving student mental health.

Alberta's government is supporting almost 80 mental health pilot projects across the province, with an investment of \$50 million. These projects will encourage student well-being through new and innovative approaches to providing supports and services like counselling, social and emotional learning, student assessment and training for school staff. For more information, please click [here](#).

4) We will continue to lead the country in early literacy and numeracy assessments.

As a father of two, I want to know how my girls are progressing in their academic journey and I know many of you want the same. In September of 2022, Alberta's government implemented new mandatory literacy and numeracy screening assessments for all students in Grades 1 – 3. These assessments will help identify students who are struggling with literacy and numeracy skill development and inform teacher intervention lesson plans and techniques to improve student skills. Based on school reporting, these interventions are working. I am very proud of the work that is being done here. Please know Alberta is leading the country with this type of early assessment and screening and will continue to foster new and improved ways to improve the education system. For more information, please click [here](#).

In closing, I want to thank and acknowledge all our hardworking teachers, educational assistants, principals, and other school support staff. The work that you do is deeply acknowledged and appreciated by Alberta's government and I want to express my personal appreciation for your work. I look forward to serving as our province's Minister of Education for our great province and am confident we can continue to provide every student with a world-class education.

Best,

NOTICE TO PARENT OR GUARDIAN OF RELIGIOUS PERMEATION

Section 58.1 of the *Education Act* requires a school board to give notice to a parent or guardian when courses of study, education programs, institutional materials, instruction or exercises include subject matter that deals primarily and explicitly with religion. All of the schools in this division are Catholic Separate Schools, the essential purpose of which is to fully permeate Catholic theology, philosophy, practices and beliefs, the principles of the Gospel and teachings of the Catholic Church, in all aspects of school life, including in the curriculum of every subject taught, both in and outside of formal religion classes, celebrations and exercises. Every course of study and educational program, all institutional materials, instruction and exercises will at all times include subject matter that deals primarily and explicitly with religion.

FAIR NOTICE LETTER

Dear Parents / Guardians,

The Holy Spirit Catholic School Division is committed to providing safe learning environments for all students, staff, school visitors and community members. When a student behaves inappropriately, principals use progressive discipline to help a student take responsibility for their actions, change their behavior and learn from their mistakes.

When students' behaviors pose a potential threat to safety or serious harm, the Southwest Alberta Regional Violence Risk Threat Assessment Protocol (VTRA) helps principals take further steps to protect the well-being of students and staff. The protocol helps schools respond quickly to threatening incidents such as: possession of a weapon or a replica weapon, bomb threats or plans, verbal, written or electronic (internet, text) threats to kill or injure oneself or others or other threats of violence, fire setting.

The Southwest Alberta Regional VTRA Protocol outlines how a school responds immediately to threatening behavior. Principals may first bring together a School Threat Assessment Team, which ideally includes the principal / associate principal, a school based counsellor / jurisdictional lead and police of jurisdiction. If the situation is serious the principal may also consult the Superintendent of Schools and call in members of the Community Threat Assessment Team. This community team may include representatives of community agencies who work with us to keep our schools safer such as, but not limited to, local police, children's mental health organizations or Child and Family Services. Parents / guardians will be notified as soon as possible in the Stage 1 - VTRA Process. If parents / guardians cannot be reached, but a concern for safety still exists due to threatening behavior, the threat assessment may still proceed. Personal information shared throughout this process will respect and balance each individual's right to privacy with the need to ensure the safety of all.

This letter complies with procedure 2 of *Administrative Procedure 322: Violence Threat / Risk Assessment (V-TRA) Protocol*, which states that parents / guardians will be provided with "fair notice" that each threat will be taken seriously. Should you wish to further review this Administrative Procedure, please visit our website at www.holyspirit.ab.ca.

If you have any questions regarding the Holy Spirit Catholic School Division's use of the Southwest Alberta Regional V-TRA Protocol, please contact the Director of Support Services at the St. Basil Catholic Education Centre. We appreciate your support in ensuring our schools are safe environments for our students, staff and community partners.

Sincerely,
Ken Sampson, Superintendent of Schools
