Please be advised that we are expecting a partial solar eclipse on the first day back after Easter break, on the 8th of April. It is expected to last for just short of 2 hours, beginning at 11:49 a.m. (MDT) and ending at 1:38 p.m.

Because of this, and for the safety of our students, we will be keeping all children / students inside the school for the duration of the partial eclipse.

What does this mean for FLVT students...

PE classes and nutrition breaks will be indoors during the times listed and students will not be permitted off campus for lunch on Monday, April 8th. We are asking all students to bring a lunch that day or to purchase from the concession. Students will need to eat on campus April 8th.

The link below contains lots of information about the eclipse and is a great source for teaching students the science behind such a phenomenon.

St. Odilia's School for the Visually Impaired

—

A Chalice Project

Thank you FLVT for your support over the Lenten season. We raised over \$700 to help support St. Odilia's School.

Spring pictures, taken by LifeTouch, are a fundraiser for FLVT. It will be the same format as the beginning of the year pictures, where every student gets their pictures taken and proofs go home. There is no obligation to parents to buy, but they may order pictures if they wish. The school will receive \$2 for each child who has their picture taken. With 700 plus students, this could mean \$1400 going to our school.

**FLVT Green Shirt Day
will be honored on
Monday, April 8**

Be sure to wear GREEN
