Dear FLVT Parents and Students:

The following document is the registration form for the 2023-2024 junior high **Quarter 4 option classes**. Options will be offered on Monday/Wednesday & Tuesday/Thursday in the afternoon. Students were asked to rank their preferences for option classes. We are sending a **copy home** for parents to review and sign indicating your approval of the option ranking your child has made for quarter 4 options. Please note, we will endeavor to do our best to try and honor the course selections, but this is not always possible due to the number of students allotted for each option. Thank you so much in advance for your understanding.

In addition:

- Some classes have user fees attached to offset costs. Fees are payable through school cash online.
- Once scheduling is complete and classes are full, changes are often difficult to accommodate, due to the maximum number of students per option. Therefore, requests to change options will not be permitted.
- If the course selection sheet is not returned with a parent signature by Friday, December 22<sup>nd</sup>, we will place students in option courses based on availability in each option block. • **Quarter 4 Options will commence on Monday, April 15, 2024 for all Junior High Students.**
- **Descriptions** of quarter four options and **course selection sheets** can be found on our FLVT website under **Academics – student programs - 2. Complementary Subjects.**

Please feel free to email [flvtoffice@holyspirit.ab.ca](mailto:flvtoffice@holyspirit.ab.ca) or call the school (403-381-0953) with option questions.
