April 22, 2024,

Dear Parents or Guardians,

On, **Wednesday, May 8, 2024**, the grade 5 classes will travel by bus to the Lethbridge College Wind Turbine Testing Facility, in partnership with the Natural Leadership Program for an educational opportunity. The bus will depart from the school at 10:30 am. Students will arrive at the Lethbridge College at 11:00 am. From there, 5R and 5S will take turns touring the Wind Turbine Testing Facility and testing their premade turbine blades. At the same time, the other class will remain with Paige Rosner, the Natural Leadership Program leader, to learn more about natural energy and resources through games and discussion. Students will bring a bagged lunch and we will eat lunch at the college. At 3:00 pm, students will board the busses to return to school. The cost for the field trip is \$3.00. This covers the cost of the bus to and from the college. Payments can be made online at <https://www.schoolcashionline.com/>. **The bottom of the page needs to be returned to your child’s homeroom teacher no later than Wednesday, May 1, 2024.**

Sincerely,  
Mrs. Roth and Mrs. Smith,

\_\_\_\_\_

I give \_\_\_\_\_ permission to attend the field trip to Lethbridge College on May 8, 2024.  
(print student name- first & last)

Emergency contact name and phone number: \_\_\_\_\_  
(print contact name - first & last) (phone # of contact person)

I **DO NOT** give: \_\_\_\_\_ permission to attend the field trip to the Lethbridge College on May 8, 2024.

**\* If permission to attend is not given or the form is not returned, students will stay back at the school and work on teacher-assigned studies.**

## **Lethbridge College - Wind Turbine Testing Facility Itinerary: May 8, 2024,**

**10:30 am.** Busses will arrive at school to take students to the college.

**11:00 am.** 5R and 5S will be split into 2 groups.

- Group 1 will tour the wind turbine facility at the college and test their premade turbine blades in the facility under the guidance and supervision of the college staff facilitator.
- Group 2 will stay with Paige Rosner to learn more about natural resources and renewable energy through games and discussion. (If the weather is pleasant - Paige will be outside with the students and their homeroom teacher. If the weather is poor, she has a room booked at the college, for inside learning.)

**12:45 pm -1:15 pm.** Lunch - Students will eat the lunches that they packed

- There will be no access to cafeteria food. Students must bring their own lunches.

**1:15 pm.** Groups 1 and 2 will switch activities.

**3:00 pm.** Load busses and return to FLVT.

We are looking for 4-6 volunteers to help us out on the day. If you are interested in attending with us, please contact Mrs. Roth at [rothk@holyspirit.ab.ca](mailto:rothk@holyspirit.ab.ca) to let her know.
