

# FLVT Baking Booster Club

## Purpose of the Club

The **Baking Booster Club** is an exciting extracurricular opportunity for Junior High students to:

- Learn essential baking techniques in a fun, safe environment
- Bake delicious treats to be sold at school tournaments
- Develop teamwork, time management, and leadership skills
- Support school programs and activities through fundraising

This is a great opportunity for JH students to learn leadership skills, take pride in their work, contribute to the school community, and grow their culinary confidence! While most of the products made will be sold, and proceeds donated back into our school community, there will be opportunities for participants to sample products for quality control.

**The contributions from sales of the products made in the Baking Booster Club at our Jr. HAWKS Volleyball Tournament, September 19, and 20, will go to updating needed equipment in the Foods Lab.**

## Expectations

- Students are expected to **follow instructions, work safely, and treat others respectfully** in the kitchen.
- We are here to learn and have fun—**goofing around will not be tolerated**.
- Participants must demonstrate **responsibility, cleanliness, and teamwork**.
