To: Lethbridge Community Members,

We are writing to extend an invitation to participate in our upcoming School Council Silent Auction on November 14, 2024. This year, we aim to raise funds to build an outdoor classroom. FLVT is currently at capacity and would greatly benefit from additional learning spaces. Outdoor classrooms provide experiential learning that fosters independence and growth far beyond the classroom. Outside of school hours, the community is encouraged to use the space as a picnic shelter. With sports fields located at FLVT and Atso Towaawa Park, teams will utilize the space for further team and community bonding.

Your generous contribution to our Silent Auction will make a significant difference in the lives of our students and community. Whether you donate an item, service, experience or baked good for the cake walk, every contribution is deeply appreciated.

To donate to our Silent Auction, please email flvtschoolcouncil@gmail.com by October 31, 2024. Thank you for considering our request for support. We look forward to your participation in our School Council Silent Auction.

Warmly,

School Council
