

## **FLVT P.A.C.S. M/W Quarter 4**

### **Student Permission Forms and Course Outline**

April 15, 2024

Hello Everyone

P.A.C.S. (projects, activities, community, & skills) incorporates academic support, life skill projects, and out trips. The goal is to inspire and build skills for community & academic engagement. Being involved in your community is important for everyone. Life skills will include various things such as learning to cook, time management, money management, personal care, and being a good citizen in the community. Students are assessed based on their attendance, participation, and overall development in course activities.

Below is a course calendar and list of out-trips for the quarter. Transportation for these activities will be by walking, school bus, and public transportation. Costs for this course will be \$30. Please let us know if the fee is an issue as we can work around it. The fee simply offsets some of the costs for the course. We will also organize a bake sale with proceeds going towards the cost of transportation.

Please complete the permission form and return it to school. Contact Mr. Leger at the school (403-381-0953) or by email ([legers@holyspirit.ab.ca](mailto:legers@holyspirit.ab.ca)) if you need more information.

Thank you

Father Leonard VanTighem
